

Dear Western Roofing,

Thank you for the excellent workmanship on our new standing seam metal roof. We are extremely satisfied with your company's services.

All work was done in a timely manner. You were always available to answer any questions we had and to assure we were completely satisfied.

Your staff was friendly, respectful and professional.

We have and continue to receive many compliments on how good the roof looks and we have recommended your company to those who asked.

Sincerely,

Jason and Vilma Howell
